KUDINEER CHOORANAM

AAVAARAI KUDINEER CHOORANAM

SIDDHA SASTRIC CLASSICAL MEDICINE

Ref: Sigitchaa Rathina Deepam - II

Ingredients:

Tamil Name/Common Name	Botanical/Scientific Name	Part Used	Quantity
Naval Pattai	<i>Syzygium cuminii</i>	Bark	8.33%
Marutham Pattai	<i>Terminalia arjuna</i>	Bark	8.33%
Korai Kizhangu	<i>Cyperus rotundus</i>	Rhizome	8.33%
Posthakkai	<i>Papaver somniferum</i>	Seed	8.33%
KattuKodi	<i>Cocculus hirsutus</i>	Entire Plant	8.33%
Kadalazhinjil Pattai	<i>Salacia reticulata</i>	Bark	8.33%
Kadukkai	<i>Terminalia chebula</i>	Dried Pericarp	8.33%
Nelli VatraI	<i>Emblica officinalis</i>	Dried Pericarp	8.33%
Thandrikkai	<i>Terminalia belerica</i>	Dried Pericarp	8.33%
Aavaram Poo	<i>Cassia auriculata</i>	Flower	8.33%
Aavaram Pattai	<i>Cassia auriculata</i>	Bark	8.33%
Aavaram Ver	<i>Cassia auriculata</i>	Root	8.33%

Dose : To 10 g of medicine, add 325 ml of water. Make it to boil & reduce to volume of 160 ml and consume the decoction twice daily in empty stomach.

Indication: Madhumeagam, Adhi Thaagam, Neerizhivu, Azhal.

Presentation: 100 g

ADATHODAI KUDINEER CHOORANAM

SIDDHA SASTRIC CLASSICAL MEDICINE

Ref: Siddha Vaithiya Thirattu

Ingredients:

Tamil Name/Common Name	Botanical/Scientific Name	Part Used	Quantity
Adathodai (Processed in Honey Q.S)	<i>Adhatoda zeylanica</i>	Leaf	25 %
Adhimathuram	<i>Glycyrrhiza glabra</i>	Root/Rhizome	25 %
Thaalispathithiri	<i>Taxus baccata</i>	Leaf	25 %
Thippili	<i>Piper longum</i>	Fruit	25 %

Dose : To 10 g of medicine, add 250 ml of water. Make it to boil & reduce to volume of 30 – 60 ml and consume the decoction two or three times a day. For better result, consume in empty stomach or as directed by Physician

Indication: Irumal, Iraippu Irumal

Presentation: 100 g

DRAKSHAADHI KUDINEERCHOORANAM

SIDDHA SASTRIC CLASSICAL MEDICINE

Ref: Siddha Formulary of India - I

Ingredients:

Tamil Name/Common Name	Botanical/Scientific Name	Part Used	Quantity
Thiratchai (dry)	<i>Vitis venifera</i>	Fruit	16.66 %
Saamanthi Poo (Seemai)	<i>Chrysanthemum indicum</i>	Flower	16.66 %
Soombu	<i>Foeniculum vulgare</i>	Seed	16.66 %
Nilavarailai	<i>Cassia angustifolia</i>	Leaf	16.66 %
Ven Sivathai Ver	<i>Operculina turpethum</i>	Root	16.66 %
Roja Mottu	<i>Rosa damascena</i>	Flower Bud	16.66 %

Dose : To 25 g of medicine, add 500 ml of water. Make it to boil & reduce to volume of 125 ml and consume the decoction 30 – 60 ml two times a day.

Indication: Azhalaathikkam, Malakattu

Presentation: 100 g

KALLADAIPPU KUDINEER CHOORANAM

SIDDHA SASTRIC CLASSICAL MEDICINE

Ref: Siddha Formulary of India - II

Ingredients

Tamil Name/Common Name	Botanical/Scientific Name	Part Used	Quantity
Nerunjil	<i>Tribulus terrestris</i>	Root	25 %
Sirupeelai	<i>Aerva lanata</i>	Root	25 %
Maavilangam	<i>Crataeva religiosa</i>	Root	25 %
Peramutti	<i>Pavonia odorata</i>	Root	25 %

Dose : To 100 g of medicine, add 1000 ml of water. Make it to boil & reduce to volume of 100 ml and consume the decoction three times a day. For better result, consume in empty stomach or as directed by Physician.

Indication: Kalladaippu

Dose : To 10 g of medicine, add 250 ml of water. Make it to boil & reduce to volume of 30 – 60 ml and consume the decoction at bed time.

Indication: Thookkaminmai

Presentation: 100 g

MANJAL NOI KUDINEER CHOORANAM

SIDDHA SASTRIC CLASSICAL MEDICINE

Ref: Siddha Formulary of India - II

Ingredients

Tamil Name/Common Name	Botanical/Scientific Name	Part Used	Quantity
Keezhanelli Samoolam	<i>Phyllanthus amarus</i>	Entire Plant	16.66%
Karisalai Samoolam	<i>Eclipta prostrata</i>	Entire Plant	16.66%
Peipudal	<i>Trichosanthes cucumerina</i>	Entire Plant	16.66%
Sombu	<i>Foeniculum vulgare</i>	Seed	16.66%
Ven Milagu	<i>White Piper nigrum</i>	Seed	16.66%
Vilva Ver	<i>Aegle marmelos</i>	Root	16.66%

Dose : To 60 g of medicine, add 650 ml of water. Make it to boil & reduce to volume of 85 ml and consume the decoction three times a day for three days. For better result, consume in empty stomach or as directed by Physician.

Indication: Paandu, Sobai, Kaamaalai

Presentation: 100 g

NERUNJIL KUDINEER CHOORANAM

SIDDHA SASTRIC CLASSICAL MEDICINE

Ref: Siddha Vaithiya Thirattu

Ingredients

Tamil Name/Common Name	Botanical/Scientific Name	Part Used	Quantity
Neermulli	<i>Asteracantha longifolia</i>	Dried Entire plant	9.09 %
Nerunjil	<i>Tribulus terrestris</i>	Dried Entire plant	9.09 %
Kadukkai	<i>Terminalia chebula</i>	Dried Pericarp	9.09 %
Nelli	<i>Emblica officinalis</i>	Dried Pericarp	9.09 %
Thandri	<i>Terminalia belerica</i>	Dried Pericarp	9.09 %
Manathakkali	<i>Solanum nigrum</i>	Dried Fruit	9.09 %
Parangichakkai	<i>Smilax china</i>	Dried Tuberos Root	9.09 %
Sombu	<i>Foeniculum vulgare</i>	Dried Seed	9.09 %
Vellari	<i>Curcumis sativus</i>	Dried Seed	9.09 %
Surai	<i>Lagenaria siceraria</i>	Dried Climber	9.09 %
Sarakondrai	<i>Cassia fistula</i>	Flesh part of Fruit	9.09 %

Dose : To 25 g of medicine, add 500 ml of water. Make it to boil & reduce to volume of 125 ml and consume the decoction 30 – 60 ml twice daily in empty stomach.

Indication: Sobai, Neerkattu, Peruvayiru

Presentation: 100 g

NILAVEMBU KUDINEER CHOORANAM

SIDDHA SASTRIC CLASSICAL MEDICINE

Ref: *Siddha Vaithiya Thirattu*

Ingredients

Tamil Name/Common Name	Botanical/Scientific Name	Part Used	Quantity
Nilavembu	<i>Andrographis paniculata</i>	Entire Plant	11.11%
VettiVer	<i>Vetiveria zizanioides</i>	Root	11.11%
Vilamichan Ver	<i>Plectranthus vettiveroides</i>	Root	11.11%
Santhanam Thool	<i>Santalam album</i>	Wood	11.11%
Pei pudal	<i>Trichosanthes cucumerina</i>	Entire Plant	11.11%
Korai Kizhangu	<i>Cyperus rotundus</i>	Rhizome	11.11%
Sukku	<i>Zingiber officinale</i>	Dried Rhizome	11.11%
Milagu	<i>Piper nigrum</i>	Dried Fruit	11.11%
Parpadagam	<i>Mollugo cerviana</i>	Entire Plant	11.11%

Dose : To 25 g of medicine, add 500 ml of water. Make it to boil & reduce to volume of 125 ml and consume the decoction 30 – 60 ml twice daily in empty stomach.

Indication: Kulir Suram, Azhal Suram

OMA KUDINEER CHOORANAM

SIDDHA SASTRIC CLASSICAL MEDICINE

Ref: Siddha Formulary of India - II

Ingredients

Tamil Name/Common Name	Botanical/Scientific Name	Part Used	Quantity
Omam	<i>Trachyspermum ammi</i>	Dried fruit	14.28%
Poduthalai	<i>Phyla nodiflora</i>	Leaf	14.28%
Nunallai	<i>Morinda tinctoria</i>	Leaf	14.28%
Notchillai	<i>Vitex negunda</i>	Leaf	14.28%
Nalvelai Ver	<i>Cleome gynandra</i>	Root	14.28%
Poondu	<i>Allium sativum</i>	Bulb	14.28%
Vasambu Kari	<i>Acorus calamus</i>	Charcoal	14.28%

Dose : To 5 g of medicine, add 100 ml of water. Make it to boil & reduce to volume of 10 ml. and Consume the decoction 5 – 10 ml, two times a day.

Indication: Kuzhanthai Paruvathil Varum Vida Maantham

Presentation: 100 g

PARANGIPATTAI KUDINEER CHOORANAM

SIDDHA MEDICINE

Ref: Pharmacopeia Hospital of Indian Medicine

Ingredients

Tamil Name/Common Name	Botanical/Scientific Name	Part Used	Quantity
Parangipattai	<i>Smilax china</i>	Tuberous Root	10 %
Kadugu Rohini	<i>Picrorhiza kurroa</i>	Rhizome/Root	10 %
Manjitti	<i>Rubia tinctorum</i>	Root	10 %
Mara Manjal	<i>Berberis aristata</i>	Bark	10 %
Kadukkai	<i>Terminalia chebula</i>	Pericarp	10 %
Thandri	<i>Terminalia belerica</i>	Pericarp	10 %
Vasambu	<i>Acorous calamus</i>	Rhizome	10 %
Sombu	<i>Foeniculum vulgare</i>	Seed	10 %
Vembu	<i>Azadirachta indica</i>	Bark	10 %
Seenthil	<i>Tinospora cordifolia</i>	Tuber	10 %

Dose : To 10 g of medicine, add 250 ml of water. Make it to boil & reduce to volume of 30 – 60 ml and consume the decoction two or three times a day. For better result, consume in empty stomach or as directed by Physician

Indication: Thol Noigal, Poochikadi

Presentation: 100 g

PIDANGUNARI KUDINEER CHOORANAM

SIDDHA SASTRIC CLASSICAL MEDICINE

Ref: *Siddha Vaithiya Thirattu*

Ingredients

Tamil Name/Common Name	Botanical/Scientific Name	Part Used	Quantity
Pidanguhari	<i>Cleodendrum inerme</i>	Leaf	37.5 %
Kadukkai	<i>Terminalia chebula</i>	Pericarp	37.5 %
Kari Manjal	<i>Curcuma longa</i>	Rhizome	25.0%

Dose : To 25 g of medicine, add 500 ml of water. Make it to boil & reduce to volume of 125 ml and consume the decoction 30 – 60 ml twice daily.

Indication: Peeliga Valartchi (Sura Katti)

PROPRIETARY MEDICINES

AiQ MEMORY FORTE CAPSULE

SIDDHA PROPRIETARY MEDICINE

Benefits :

- Enhancing neurological functions
- Improving cognitive functions
- Increases memory
- It reduce hyper exudation of neurons

Properties

- Neuro protective
- Anxiolytic
- Antidepressant
- Adaptogenic
- Antioxidant
- Cholinesterase inhibitor
- Dopaminergic neuro protective
- Endogenous monoamine oxidase inhibitor

Indication:

Memory and learning disorders:

- Attention fluctuations
- Concentration impairment
- Language and learning disability

Indication:

Behavior disorders:

- Hyperkinetic states
- Asocial behavior
- Aggressive behavior
- Temper tantrums
- Enuresis (Bed wetting)
- Attention deficit hyperactivity disorder

Indication:

Other neurological disorders:

- Anxiety
- Stress
- Mental fatigue
- Senile dementia
- As an Adjuvant therapy in Alzheimer's disease
- As supportive therapy in Parkinson's disease

Ingredients : Each Capsule Contains

Botanical/Scientific Name	Part Used	Quantity
<i>Centella asiatica</i>	Le	100 mg
<i>Bacopa monnieri</i>	Entire	100 mg
<i>Cocculus cordifolia</i>	St	50 mg
<i>Withania somnifera</i>	Ro	50 mg
<i>Evolvulus alsinoides</i>	Entire	50 mg
<i>Clitoria ternatea</i>	Le	50 mg
<i>Nardostachys jatamansi</i>	Ro	50 mg
<i>Celastrus paniculatus</i>	Pa	50 mg

Dose : 1 - 2 Capsules, Two Times daily or
As advised by Physician

Presentation: 100 Nos.

ASMALINK CAPSULE

TREAT AND PREVENTS RESPIRATORY PROBLEMS

SIDDHA PROPRIETARY MEDICINE

Properties

- Anti-inflammatory
- Analgesic
- Anti-arthritic
- Anti-oxidant
- Immunomodulatory

Ingredients : Each Capsule Contains

Botanical/Scientific Name	Quantity
<i>Alpinia galangal</i>	45 mg
<i>Cubeba officinalis</i>	45 mg
<i>Adathoda vasica</i>	45 mg
<i>Navacharam</i>	45 mg
<i>Pottiluppu</i>	45 mg
<i>Tylophora asthmatica</i>	45 mg
<i>Glycyrrhiza glabara</i>	45 mg
<i>Lobelia inflata</i>	45 mg
<i>Atropa belladonna</i>	15 mg

Dose : 1 - 2 Capsules, Two or Three Times daily
or As advised by Physician

Indication:

- First and Second degree Hemorrhoids
- Fistula-in-Ano
- Anal Abscess

Presentation: 100 Nos.

BLISSNITE CAPSULE

SIDDHA PROPRIETARY MEDICINE

Benefits :

- Improves testicular functions
- Increases confidence and lowers emotional stress with improving desire.
- Increase strength and performance stamina.
- Prevents erectile dysfunction and improves the erection.

Properties

- Androgenic
- Aphrodisiac
- Antioxidant
- Adaptogenic
- Tonic
- Spermatogenesis promoter
- Anxiolytic
- Antidepressant

Ingredients : Each Capsule Contains

Botanical/Scientific Name	Part Used	Quantity
<i>Withania somnifera</i>	Ro	100 mg
<i>Curculigo orchioides</i>	Rh	100 mg
<i>Linum usitatissimum</i>	Se	50 mg
<i>Mucuna pruriens</i>	Se	50 mg
<i>Ionidium suffruticosum</i>	Fl	50 mg
<i>Lepidium sativum</i>	Se	50 mg
<i>Mimosa pudica</i>	Le	50 mg
<i>Thanga parpam</i>		10 mg
<i>Velli parpam</i>		10 mg
<i>Silajathu parpam</i>		30 mg

Dose : Capsule, At Bed Time or As advised by Physician

Indication:

- Low libido
- Male weakness in sexual performance
- Erectile dysfunction
- Oligospermia
- Male infertility
- Pre mature ejaculation
- Spermatorrhoea
- Nocturnal emission

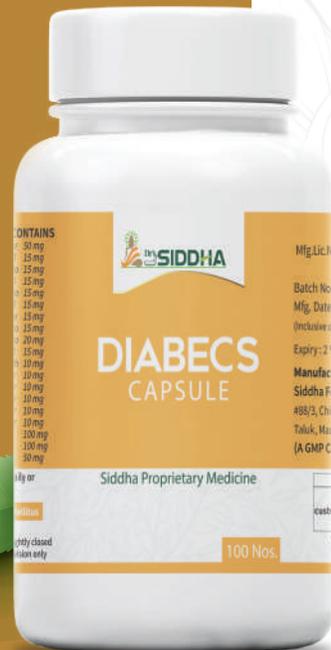

Presentation: 100 Nos.

DIABECS CAPSULE

SIDDHA PROPRIETARY MEDICINE

Properties

- Antidiabetic
- Insulin secretory
- Insulinomimetic
- Antihyperglycemic
- Alpha - Glucosidase Inhibitor

Ingredients : Each Capsule Contains

Botanical/Scientific Name	Part Used	Quantity
<i>Cassia auriculata</i>	Le	50 mg
<i>Eugenia auriculata</i>	Fl	15 mg
<i>Alangium decapetalum</i>	Ro	15 mg
<i>Rosa gallica</i>	Fl	15 mg
<i>Hemidesmus indicus</i>	Ro	15 mg
<i>Ionidium suffruticosum</i>	Fl	15 mg
<i>Aloe vera</i>	Le	15 mg
<i>Smilax china</i>	Ro	15 mg
<i>Withania somnifera</i>	Ro	20 mg
<i>Nymphaea nucifera</i>	Fl	15 mg
<i>Zingiber officinale</i>	Rh	10 mg
<i>Piper nigrum</i>	Fr	10 mg
<i>Piper longum</i>	Fr	10 mg
<i>Terminalia chebula</i>	Fr	10 mg

<i>Emblica officinalis</i>	Fr	10 mg
<i>Ayakantha chendooram</i>		100 mg
<i>Abbiraka chendooram</i>		100 mg
<i>Velli parpam</i>		50 mg

Dose : 1 Capsule, Two Times daily or
As advised by Physician

Indication:

- Pre Diabetes Mellitus
- Newly Detected NIDDM (Type II Diabetes Mellitus)
- As an adjuvant therapy in Type I Diabetes Mellitus

Presentation: 100 Nos. DR'S SIDDHA PRODUCT CATALOGUE | 181

DIALINK CAPSULE

SIDDHA PROPRIETARY MEDICINE

Ingredients : Each Capsule Contains

Botanical/Scientific Name	Quantity
<i>Aegle marmelos</i>	60 mg
<i>Mangifera indica</i>	25 mg
<i>Prycotis ajowan</i>	15 mg
<i>Bombax malabaricum</i>	55 mg
<i>Terminalia chebula</i>	45 mg
<i>Holarrhena antidysenterica</i>	85 mg
<i>Acacia catechu</i>	45 mg
<i>Asparagus recemosus</i>	40 mg
<i>Sodium baborate</i>	30 mg
<i>Papaver somniferum</i>	25 mg
<i>Andrographis paniculata</i>	35 mg

Dose : 1 - 2 Capsules, Two or Three Times daily
or As advised by Physician

Indication:

- Diarrhea
- Amoebiasis
- Irritable Bowel Syndrome having loose watery stools

Presentation: 60 Nos.

MENOSURE CAPSULE

REGULATES MENSTRUAL CYCLE

SIDDHA PROPRIETARY MEDICINE

Properties

- Antidiabetic
- Insulin secretory
- Insulinomimetic
- Antihyperglycemic
- Alpha - Glucosidase Inhibitor

Ingredients : Each Capsule Contains

Botanical/Scientific Name	Quantity
<i>Aristolochia bracteata</i>	100 mg
<i>Aloe barbadensis</i>	50 mg
<i>Nigella stiva</i>	50 mg
<i>Sesamum indicum</i>	100 mg
<i>Carica papaya</i>	100 mg
<i>Ferula asafetida</i>	25 mg
<i>Crotalaria juncea</i>	50 mg
<i>Moringa oleifera</i>	25 mg

Dose : 1 - 2 Capsules, Two Times daily or
As advised by Physician

Indication:

- Amenorrhea (No menstruation)
- Dysmenorrhea (Painful menstruation)
- Oligomenorrhea (Infrequent / light menstruation)
- Leucorrhoea (White discharge)
- Menstrual irregularities

Presentation: 100 Nos.

MILAX CAPSULE

HAS LAXATIVE, PREBIOTIC AND PROKINETIC ACTIONS.

SIDDHA PROPRIETARY MEDICINE

Benefits :

- Effective adaptogenic herb
- Tonic for Heart muscle in improving blood flow by dilating coronary artery
- Tonic for Reproductive organs and Urinary bladder
- Useful to treat urethral stricture & difficulty in urination.
- Removes stone from Urinary bladder
- Cures white discharge
- Relieve libido and improves physical energy
- Controls body heat.

Ingredients : Each Capsule Contains

Botanical/Scientific Name	Part Used	Quantity
<i>Terminalia chebula</i>	Fr	35 mg
<i>Terminalia bellerica</i>	Fr	35 mg
<i>Emblica officinalis</i>	Fr	30 mg
<i>Piper nigrum</i>	Fr	35 mg
<i>Piper longum</i>	Fr	35 mg
<i>Zingiber officinale</i>	Rh	30 mg
<i>Picrorhiza kurroa</i>	Ro	100 mg
<i>Croton tiglium</i> (Purified)	Se	200 mg

Dose : Capsule, At Bed Time or
As advised by Physician

Indication:

- Mild acute constipation
- Chronic constipation

Presentation: 60 Nos.

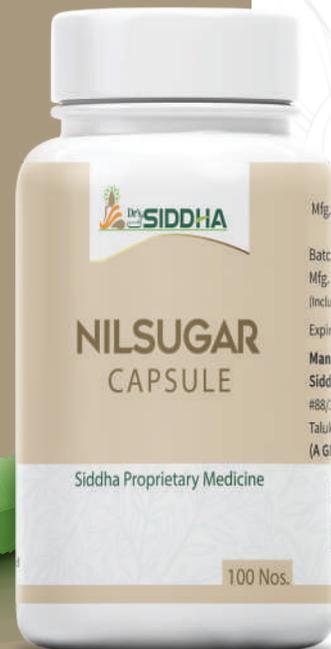

NILSUGAR CAPSULE

RELIEVES SYMPTOMS OF DIABETES SUCH AS
EXCESSIVE HUNGER, THIRST AND URINATION.

SIDDHA PROPRIETARY MEDICINE

Properties

- Antihyperglycemic
- Alpha-glucosidase inhibitor

Ingredients : Each Capsule Contains

Botanical/Scientific Name	Quantity
<i>Momordica charantia</i>	65 mg
<i>Shilajit</i>	90 mg
<i>Gymnema sylvestre</i>	90 mg
<i>Ficus glomerata</i>	40 mg
<i>Eugenia jambolana</i>	65 mg
<i>Coccinia indica</i>	45 mg

Dose : 1 - 2 Capsules, Two Times daily or
As advised by Physician

Indication:

- Pre diabetic
- Newly detected NIDDM (Type II Diabetes Mellitus)

Presentation: 100 Nos.

PILECURE CAPSULE

SIDDHA PROPRIETARY MEDICINE

Benefits :

- Shrink the hemorrhoid mass and stop bleeding.
- Reduces inflammation of mucous membrane and skin.
- Reduce stretching of blood vessels.
- Reduces rectal bleeding.
- Alleviates pain and itching.
- Alleviates chronic constipation.

Ingredients : Each Capsule Contains

Botanical/Scientific Name	Quantity
<i>Aegle marmelos</i>	105 mg
<i>Dracontinum polyphyllum</i>	205 mg
<i>Nymphaea lotus</i>	55 mg
<i>Piper nigrum</i>	55 mg
<i>Piper longum</i>	15 mg
<i>Zingibera officinale</i>	15 mg

Dose : 1 Capsule, Two Times daily or As advised by Physician

Indication:

- First and Second degree Hemorrhoids
- Fistula-in-Ano | Anal Abscess

EFFECTIVE WHEN TAKEN ALONG WITH PILES QURE CAPSULE

Presentation: 100 Nos.

PILES QURE CAPSULE

SIDDHA PROPRIETARY MEDICINE

Benefits :

- Shrink the hemorrhoid mass and stop bleeding.
- Reduces inflammation of mucous membrane and skin.
- Reduce stretching of blood vessels.
- Reduces rectal bleeding.
- Alleviates pain and itching.
- Alleviates chronic constipation.

Ingredients : Each Capsule Contains

Botanical/Scientific Name	Part Used	Quantity
<i>Strychnos potatorum</i>	Nu	50 mg
<i>Amorphophallus campanulatus</i>	Tu	50 mg
<i>Terminalia chebula</i>	Fr	15 mg
<i>Terminalia bellerica</i>	Fr	15 mg
<i>Emblica officinalis</i>	Fr	20 mg
<i>Plumbago zeylanica</i>	Ro	50 mg
<i>Cyperus rotundus</i>	Rh	50 mg
<i>Mangifera indica</i>	Bu	50 mg
<i>Cuminum cyminum</i>	Se	50 mg
<i>Naaga parpam</i>		50 mg
<i>Vanga parpam</i>		50 mg
<i>Silaajath parpam</i>		50 mg

Dose : 1 Capsule, Two Times daily or

As advised by Physician

Indication:

- Bleeding piles
- Non – bleeding piles
- Both internal and external hemorrhoids
- Anal fissures
- Varicose veins
- Anal discomfort or pain

Presentation: 100 Nos.

RHUMATOL CAPSULE

SIDDHA PROPRIETARY MEDICINE

Benefits :

- Works on joint stiffness and pain
- Improves mobility and flexibility of joints
- Stops progression of the disease
- Reduces oedema and swelling
- Decreases serum levels of inflammatory markers
- Reduces oxidative stress

Properties

- Anti-inflammatory
- Analgesic
- Anti-arthritic
- Anti-oxidant
- Immunomodulatory

Ingredients : Each Capsule Contains

Botanical/Scientific Name	Part Used	Quantity
<i>Balsamodendron mukul</i>	Re	75 mg
<i>Withania somnifera</i>	Ro	50 mg
<i>Alpinia galanga</i>	Rh	25 mg
<i>curcuma zedoaria</i>	Rh	25 mg

<i>Sida cordifolia</i>	Ro	50 mg
<i>Smilax china</i>	Ro	50 mg
<i>Tinospora cordifolia</i>	St	50 mg
<i>Cardiospermum helicacabum</i>	Le	50 mg
<i>Moringa pterygosperma</i>	Se	50 mg
<i>Aarumuga chendooram</i>		50 mg

Dose : 1 - 2 Capsules, Two Times daily or
As advised by Physician

Indication:

- Joint disorders:**
- Rheumatoid arthritis
 - Osteoarthritis
 - Cervical spondylosis
 - Lumbar spondylosis
 - Gouty arthritis | Frozen shoulder
 - Arthralgia

Other inflammatory conditions:

- Bursitis
- Capsulitis
- Fibrositis
- Myositis
- Synovitis
- Tenosynovitis
- Sciatica

Presentation: 100 Nos.

ASMALINK LIQUID

TREAT AND PREVENTS RESPIRATORY PROBLEMS

SIDDHA PROPRIETARY MEDICINE

Properties

- Antihistaminic
- Bronchodilatory
- Antitussive
- Mucolytic
- Antimicrobial
- Anti-inflammatory
- Antioxidant

Ingredients : Each 10 ml Contains

Botanical/Scientific Name	Quantity
<i>Abies webbiana</i>	65 mg
<i>Tylopra asthmatica</i>	155 mg
<i>Adathoda vasica</i>	205 mg
<i>Navacharam</i>	110 mg
<i>Pottiluppu</i>	20 mg
<i>Allium sativum</i>	1 mg

Dose : 5 - 10 ml, Three times daily or
As advised by Physician

Indication:

- Allergic Rhinitis
- Allergic Bronchitis
- Bronchial Asthma
- Pollen Allergy

Presentation: 200 ml

EXPECTOLINK LIQUID

SIDDHA PROPRIETARY MEDICINE

Benefits :

- Give relive in cough by reducing bronchial irritation and bronchospasm
- Reduce phlegm production and bronchial mucous secretions
- Dilutes sputum and ease the expectoration
- Soothe the irritated bronchial tubes and relive the throat irritation
- Act as a protective agent for mucous membrane
- Relives irritation and scratchiness in the membrane

Properties

- Antitussive
- Mucolytic
- Anti-inflammatory
- Anti-allergic
- Antimicrobial
- Immunomodulatory

Ingredients : Each 10 ml Contains

Botanical/Scientific Name	Quantity
<i>Glycyrrhiza glabra</i>	225 mg
<i>Ocimum sanctum</i>	130 mg
<i>Adathoda vasica</i>	130 mg
<i>Zingiber officinale</i>	55 mg
<i>Pipiper nigrum</i>	130 mg
<i>Pipiper longum</i>	130 mg

Dose : 5 - 10 ml, Three times daily or
As advised by Physician

Indication:

Cough - productive and dry cough
Smoker's cough

Presentation: 200 ml

FERONIC IRON TONIC

SIDDHA PROPRIETARY MEDICINE

Benefits :

- Contains naturally processed Iron and Zinc
- Improves the Liver function
- Aids digestive process
- As supportive therapy in Liver disorders and Hemorrhoids

Properties

- Hematinic
- Hepatic stimulant

Ingredients : Each 100 ml Contains

Botanical/Scientific Name	Part Used	Quantity
<i>Eclipta alba juice</i>	Le	30 ml
<i>Hydrocotyle asiatica juice</i>	Le	30 ml
<i>Zingiber officinale</i>	Rh	5 gm
<i>Vitis vinifera</i>	Fr	20 gm
<i>Emblica officinalis</i>	Fr	10 gm
<i>Terminalia chebula</i>	Fr	3 gm
<i>Terminalia bellerica</i>	Fr	2 gm
<i>Aya chendooram</i>		2 gm
<i>Naaga parpam</i>		1 gm
<i>Honey base syrup</i>		40 ml

Dose : 10 ml, Single time daily or As advised by Physician

Indication:

- Iron deficiency anemia
- Hemolytic anemia

Presentation: 200 ml

HEPCARE SYRUP

SIDDHA PROPRIETARY MEDICINE

Properties

- Potent Hepato protective
- Appetizer
- Digestive stimulant
- Antiviral
- Anti-inflammatory
- Immunomodulatory
- Hepatocellular regeneration promoter
- Antioxidant
- Hematinic

Ingredients : Each 100 ml Contains

Botanical/Scientific Name	Part Used	Quantity
<i>Eclipta alba juice</i>	Le	30 ml
<i>Eclipta prostrata</i>	Le	6 gm
<i>Phyllanthus niruri</i>	Le	6 gm
<i>Azima tetracantha</i>	Le	6 gm
<i>Terminalia chebula</i>	Fr	6 gm
<i>Terminalia bellerica</i>	Fr	6 gm
<i>Ficus glomerata</i>	Ba	6 gm
<i>Zingiber officinale</i>	Rh	6 gm
<i>Cuminum cyminum</i>	Se	6 gm
<i>Cichorium intybus</i>	Le	6 gm
<i>Ayakantha Chendooram</i>		1 gm
<i>Honey Base Syrup</i>		q.s.

Dose : 10 ml, Two times daily or
As advised by Physician

Indication:

- Hemolytic jaundice and non-obstructive jaundice
- Viral infectious hepatitis
- Alcoholic hepatitis
- Loss of appetite
- Anorexia nervosa
- Early stage of cirrhosis
- Fatty liver disorders

Presentation: 200 ml

INFALINKS LIQUID

DIGESTIVE SUPPLEMENT AND PROMOTES HEALTHY
GROWTH IN CHILDREN
SIDDHA PROPRIETARY MEDICINE

Properties

- Carminative
- Digestive
- Antispasmodic
- Appetizer
- Antisecretory
- Antioxidant
- Antimicrobial
- Anti-Nausea
- Antiemetic
- Stomachic
- Hepatic Stimulant
- Hepatoprotective
- Anthelmintic
- Prebiotic

Ingredients : Each 10 ml Contains

Botanical/Scientific Name	Quantity
<i>Zingiber officinale</i>	130 mg
<i>Terminalia chebula</i>	105 mg
<i>Embellia ribes</i>	105 mg
<i>Phyllanthus niruri</i>	175 mg
<i>Piper nigrum</i>	80 mg
<i>Boerhavia diffusa</i>	105 mg
<i>Elettaria cardamomum</i>	60 mg
<i>Tribulus terrestris</i>	55 mg
<i>Daemia extensa</i>	165 mg
<i>Carum roxburghianum</i>	55 mg
<i>Acorus calamus</i>	75 mg
<i>Lippie nodiflora</i>	130 mg

Dose : 5 ml, Two times daily or As advised by Physician

Indication:

- Abdominal Colic
- Indigestion
- Flatulence
- Bloating
- Constipation
- Gastro oesophageal reflux
- Mild Nausea and Vomiting related to digestion problems

Presentation: 200 ml

JAUNDINIL SYRUP

RELIEVES SYMPTOMS OF DIABETES SUCH AS EXCESSIVE HUNGER, THIRST AND URINATION.

SIDDHA PROPRIETARY MEDICINE

Benefits :

- Reduces viral load in liver
- Reduces inflammation of the liver and decrease the elevated liver enzymes

- Inhibits the reverse transcriptase enzymes caused by hepatitis B virus

Restores the glycogen level in the liver and

- helps in normalizing elevated liver enzymes
- Improves bowel habits in children
- Improves the flow of bile into the digestive tract and stimulates fat digestion

Properties

- Hepato Protective
- Antiviral
- Anti-inflammatory
- Immunomodulatory
- Hepatocellular regeneration promoter
- Antioxidant
- Laxative

Ingredients : Each 100 ml Contains

Botanical/Scientific Name	Part Used	Quantity
<i>Tinospora malabarica</i>	St	10 gm
<i>Mollugo cerviana</i>	Ro	10 gm
<i>Cyperus rotundus</i>	Rh	10 gm
<i>Solanum nigrum</i>	Entire	10 gm
<i>Rosa gallica</i>	Fl	10 gm
<i>Aegle marmelos</i>	Le	10 gm
Honey base Syrup		q.s.

Dose : 10 ml, Two times daily or
As advised by Physician

Indication:

- Non-obstructive jaundice
- Hepatitis A
- Hepatitis B
- Hepatitis C
- Hepatitis D
- Hepatitis E
- Mild constipation associated with mucous and sticky stools

Presentation: 200 ml

KALFONIL COUGH SYRUP

SIDDHA PROPRIETARY MEDICINE

Benefits :

- Give relive in cough by reducing bronchial irritation and bronchospasm
- Reduce phlegm production and bronchial mucous secretions
- Dilutes sputum and ease the expectoration
- Soothe the irritated bronchial tubes and relive the throat irritation
- Reduce inflammation in the bronchioles & lungs and preserves the action of cilia
- Reduces bronchial obstruction induced by allergens of smoke particles
- Inhibit the growth of respiratory pathogens
- Act as a protective agent for mucous membrane
- Relives irritation and scratchiness in the membrane

Properties

- Antitussive
- Mucolytic
- Bronchodilatory
- Anti-inflammatory
- Anti-allergic
- Antimicrobial
- Immunomodulatory
- Antioxidant

Ingredients : Each 100 ml Contains

Botanical/Scientific Name	Part Used	Quantity
<i>Adharoda vasica juice</i>	Le	10 ml
<i>Solanum trilobatum juice</i>	Entire	10 ml
<i>Ocimum sanctum juice</i>	Le	10 ml
<i>Glycyrrhiza glabra</i>	Ro	10 gm
<i>Tinospora malabarica</i>	St	4 gm
<i>Terminalia bellerica</i>	Fr	4 gm
<i>Piper longum</i>	Fr	4 gm
<i>Solanum xanthocarpum</i>	Fr	4 gm
<i>Alpinia galanga</i>	Ro	4 gm
Honey Base Syrup		10 ml

Dose : 5 - 10 ml, Three times daily or
As advised by Physician

Indication:

Cough - productive and dry cough
Cough associated with respiratory infections
Cough associated with chronic obstructive pulmonary disease
Smoker's cough

Presentation: 200 ml

LINKZYME LIQUID

CARMINATIVE AND ANTISPASMODIC

SIDDHA PROPRIETARY MEDICINE

Benefits :

- Relieves abdominal distension, intestinal gas, belching, flatulence and indigestion.

Properties

- Antihyperglycemic
- Alpha-glucosidase inhibitor

Ingredients : Each 10 ml Contains

Botanical/Scientific Name	Quantity
<i>Cumminum cyminum</i>	180 mg
<i>Nigella sativa</i>	130 mg
<i>Piper longum</i>	130 mg
<i>Prychotis ajowan</i>	180 mg
<i>Zingiber officinale</i>	180 mg
<i>Piper nigrum</i>	130 mg
<i>Ferula asafetida</i>	230 mg

Dose : 10 ml, Two times daily or As advised by Physician

Indication:

- Intestinal Gas
- Flatulence
- Abdomen Gurgling
- Belching
- Abdominal Distension

Presentation: 200 ml

UTREO LIQUID

UTERINE STIMULANT

SIDDHA PROPRIETARY MEDICINE

Benefits :

- Give relive in cough by reducing bronchial irritation and bronchospasm
- Reduce phlegm production and bronchial mucous secretions
- Dilutes sputum and ease the expectoration
- Soothe the irritated bronchial tubes and relive the throat irritation
- Act as a protective agent for mucous membrane
- Relives irritation and scratchiness in the membrane

Ingredients : Each 10 ml Contains

Botanical/Scientific Name	Quantity
<i>Saraca indica</i>	800 mg
<i>Symplocos racemosa</i>	225 mg
<i>Sidar hombifolia</i>	155 mg
<i>Viburnum sp</i>	155 mg
<i>Balسامodendron mukul</i>	125 mg
<i>Tribulus terrestris</i>	155 mg
<i>Asparagys adscendens</i>	305 mg

Dose : 10 ml, Two times daily or
As advised by Physician

Indication:

- Premenstrual syndrome (PMS)
- Dysmenorrhea (Painful menstruation)
- Menstrual irregularities
- Menorrhagia (Prolonged/heavy menstruation)
- Metrorrhagia (Excessive and frequent menstruation with irregular cycle)
- Oligomenorrhea (Infrequent / light menstruation)
- Dysfunctional uterine bleeding (DUB)
- As an adjuvant therapy in infertility

Presentation: 200 ml

UTROSTIM SYRUP

UTERINE TONIC

SIDDHA PROPRIETARY MEDICINE

Benefits :

- Helps in premenstrual syndrome, painful periods,
- irregular periods, uterine bleeding, etc.

Properties

- Anti-inflammatory
- Analgesic
- Anti-arthritis
- Anti-oxidant
- Immunomodulatory

Indication:

- Premenstrual syndrome (PMS)
- Dysmenorrhea (Painful menstruation)
- Menstrual irregularities
- Menorrhagia
(Prolonged/heavy menstruation)
- Metrorrhagia
(Excessive and frequent menstruation with irregular cycle)
- Oligomenorrhea
(Infrequent / light menstruation)
- Dysfunctional uterine bleeding (DUB)
- As an adjuvant therapy in infertility

Ingredients : Each 100 ml Contains

Botanical/Scientific Name	Part Used	Quantity
<i>Saraca indica</i>	Ba	6 gm
<i>Aristolochia bracteolata</i>	Le	6 gm
<i>Sida cordifolia</i>	Ro	6 gm
<i>Melia azedarach</i>	Ba	6 gm
